MALAYSIAN STUDENTS WIN GOLD PRIZE AT THE INTERNATIONAL STANDARDISATION COMPETITION IN SOUTH KOREA

15 August 2024 - Malaysia through the Department of Standards Malaysia, sent two teams to represent the country at the 19th International Standards Olympiad at KAMCO Human Resource Development Center, Chungcheongnam-do, South Korea from 12-14 August 2024. The teams were from Sekolah Menengah Kebangsaan Convent Bukit Nanas, represented by Clarissa Fong Hang Yee, Nina Marissa binti Khairul Nizam and Chuah Eunice; and Sekolah Menengah Kebangsaan Puteri Seremban represented by Thogaivarmini A/P Jaya Murugan, Nurul Ain Qurratu'aini binti Zamuri and Sashtikadevy A/P Asogaran. The selection of the students and schools was made in collaboration with the Ministry of Education Malaysia.

This competition, hosted by The Korean Agency for Technology and Standards (KATS) and the Korean Standards Association (KSA), in collaboration with International Electrotechnical Commission (IEC) and International Organization for Standardization (ISO).

The team from Sekolah Menengah Kebangsaan Convent Bukit Nanas successfully clinched the gold prize and a cash award of USD500 in the Middle School Category. This year's finals saw participation from 120 middle and high school students, forming 40 teams from 11 countries including China, Indonesia, Japan, Kenya, Malaysia, Republic of Korea, Kingdom of Saudi Arabia, Russia, Singapore, Peru, and Uzbekistan. Students were tasked to produce a standards/technical document

on the topic of Smart Device – Performance Test Criteria and Related Test Method for Speech Recognition (Middle School Category) and Artificial Intelligence - Guidance on the Ethical Practices for Artificial Intelligence Technology (High School Category).

This award proves that Malaysia is on the right track in implementing initiatives to instil a culture of quality amongst the younger generation, who are the future citizens and consumers of the country.
